SOI/PPOI UPDATES

- OPP Intelligence reported Facebook video of **Personal Info.** stating: "so we got multiple different organizations down here" pause "they're blocking stuff off on us everywhere, they got the trucks jammed up all over the city." "But don't you worry...**come nighttime when these cops gotta sleep, that's when we're gonna move because they don't got nothin' like we got.** We got all the energy. We got love and light – we got Jesus baby." "so we got multiple different organizations down here" pause "they're blocking stuff off on us everywhere, they got the trucks jammed up all over the city." When **Personal** refers to "they" it is believed that he means law enforcement. And when he uses 'multiple organizations' it is believed to mean different police services. In a video posted yesterday **Personal** asks Durham PS officers who are wearing red hats where they are from and uses similar terms referring to "different units". Shortly, **Personal** states that he has a lot of people out doing recognizance at night while he **Personal** remains with Pat (KING). When he makes these statements he says he is "away from where the big party is" and that he is going to do his thing by remaining positive. **Personal** says "Monday is the big day, we all go to work – when does everyone work? Monday."¹
- GIG OSINT located a 6minutes video to the Facebook page 'The Real Pat King' (posted: 28 min ago.) Appears to be walking around downtown. Shows trucks blocking roads and fireworks going off in background.²
 - **Apologizes for not being on all day, says he has been running logistics coordinating fuel and food.**
 - **Says he is heading to a meeting in the 'War Room' to start working with officers on getting these trucks moving.**
 - Complains that he has to walk 17 min to the meeting because he can't get a cab.
 - Has a guy going around with flip tanks and fuel in between the units getting everyone fuelled up and bringing meals.
 - **Says he couldn't partake in things today but tomorrow he will be.**
 - Has truckers coming to his room, using his showers.
 - **'We are not moving, we are not leaving, we need to coordinate.'**
 - Trying to be polite and nice and working with everybody.
 - **'Ottawa Police aren't working with us too good'**
